TO DO

Häckeberga Castle is a place for relaxation and tranquility. Take a peaceful walk in the surrounding nature reserve, or settle into one of our lounges where board games are available to enjoy.

When the weather allows, you are warmly invited to relax on the terrace with something cold in your glass—perhaps a game of kubb in good company.

Interested in an excursion? Don't hesitate to ask a member of our staff—we are happy to share our best recommendations.

THE BORING

Smoking is permitted in the designated area to the left of the castle entrance.

Alcohol brought from outside may only be consumed in your rooms – we thank you for your understanding.

IN CASE OF EMERGENCY

During the night, the hotel is unstaffed. In the event of an emergency, such as an accident or fire, please contact the emergency services by dialing 112.

An evacuation plan is available in your room – we kindly ask you to take a moment to familiarize yourself with it and locate the nearest emergency exit.
